

Instructional Personnel Disclosures

In compliance with the requirements of ASHA's Continuing Education Board concerning transparency in course planning, delivery, and marketing, below is information on presenters' financial and non-financial interests relevant to the content of their presentation.

First Name	Last Name	Presentation Title	Relevant Financial Relationship	Relevant Nonfinancial Relationship
Ahmed	Alammar	International Panel: Global Perspectives in Pediatric Aerodigestive Care	Employed by King Saud University	Presenter has no non-financial disclosures
Hanin	Alamoudi	The Role of HPV Vaccine in Managing Aggressive Recurrent Respiratory Papillomatosis in Infants and Young Children.	Employed by King Abdulaziz University Hospital	Presenter has no non-financial disclosures
Joni	Alberg	Doing the right thing for our patients beyond the clinic and the hospital: the How to" of Advocacy	Employed by Alexander Graham Bell Association For The Deaf And Hard Of Hearing	Presenter has no non-financial disclosures
Mohamad	Almasri	Outcomes of Untreated and Treated Pediatric Ankyloglossia	Employed by Georgetown University School Of Medicine	Presenter has no non-financial disclosures
Joshua	Arenth	Ethics in Pediatric ENT: Palliative Care and Beyond	Employed by Medical University of South Carolina	Presenter has no non-financial disclosures
Gabriel	Arom	Surgical Learning Curve in Alloplastic Microtia Reconstruction	Employed by Children's Hospital of Los Angeles	Presenter has no non-financial disclosures
Noor	Baamir	The utility and usefulness of Otoacoustic emissions as an adjunct to automated auditory brainstem response in newborn hearing screening	Employed by King Abdulaziz University	Presenter has no non-financial disclosures
Emily	Bacalao	Meningitis in a patient with congenital single-sided deafness and speech delay	Employed by University Of Colorado	Presenter has no non-financial disclosures
Sanjoy	Banerjee	EoE Recognition & Management: Emphasis on aerodigestive patient	Employed by University Of Toledo College Of Medicine And Life Sciences	Presenter has no non-financial disclosures

Carolyn	Barnes	Feeding characteristics of hospitalized infants who required non-invasive ventilation; Bedside observations of infant oral feeding during HFNC: Preliminary results	Employed by Medical University Of South Carolina	Presenter has no non-financial disclosures
Paula	Barson	Voice Therapy: When Good Enough is Actually Great	Children's Hospital Of Philadelphia	Presenter has no non-financial disclosures
Hannah	Becker	Efficacy and Benefits of a Novel Headset Device in Facilitating Optimal Bilateral Cochlear Implant Symmetry	Employed by Children's National Hospital	Presenter has no non-financial disclosures
Anna	Berezovsky	Social Determinants of Health and Effect on Adenotonsillectomy Following Sleep Study, Presentation of Inverted Papilloma in an Adolescent Male	Employed by Medical College Of Wisconsin	Presenter has no non-financial disclosures
Lauren	Berg	Panel- addressing autism/fitting autism screening into the scope of ENT practice	Employed by Medical University of South Carolina	Presenter has no non-financial disclosures
Mathieu	Bergeron	Pediatric cricopharyngeal achalasia	Employed by Sainte-justine University Hospital	Presenter has no non-financial disclosures
Lindsay	Booth	Accuracy and Readability of Ankyloglossia Materials on Social Media	Employed by University Of British Columbia	Presenter has no non-financial disclosures
Matthew	Brigger	Swallowing after posterior grafts, laryngeal cleft panel	Employed by Rady Children's Hospital/uc San Diego	Presenter has no non-financial disclosures
Laura	Brooks	Ankyloglossia	Employed by Children's Healthcare Of Atlanta	Presenter has no non-financial disclosures
Ashley	Brown	Ethics in pediatric ENT x palliative care and beyond	Employed by Children's Health Medical Center	Genetech, Consultant
Melissa	Caine	Clinical Assessment of Children with Vestibular and Balance Disorders: How to do it with what you already have	Employed by Children's Hospital of Philadelphia	Presenter has no non-financial disclosures
Daniela	Carvalho	Program Chair	Employed by University of California, San	Cochlear Americas, Research Grant

			Deigo, Rady Children's San Diego	
Ashley	Catanzarite	Effects of medical and surgical management of pediatric sialorrhea	Employed by Medical College Of Georgia- Au/uga Medical Partnership	Presenter has no non-financial disclosures
Dylan	Chan	Doing the Right Thing for Our Patients Beyond the Clinic and the Hospital: The "How To" of Advocacy	Employed by University of California, San Francisco	Presenter has no non-financial disclosures
Tanya	Chen	Socioeconomic status as a risk factor for pediatric esophageal foreign body ingestion	Employed by Hospital For Sick Children	Presenter has no non-financial disclosures
Evan	Chernov	Pediatric Malignant Otitis Externa: A Scoping Review and Meta-Analysis	Employed by Medical University Of South Carolina	Presenter has no non-financial disclosures
Megan	Cherry	Clinical Assessment of Children with Vestibular and Balance Disorders– How to do it with what you already have	Employed by Michigan Medicine - University Of Michigan Health	Presenter has no non-financial disclosures
Tendy	Chiang	Multidisciplinary Salivary Gland Disorders	Employed by Nationwide Children's Hospital	Presenter has no non-financial disclosures
Clarice	Clemmens	Secretion Management	Employed by Medical University of South Carolina	Presenter has no non-financial disclosures
Shelagh	Cofer	In-office ear tubes in children? Yes, We Do! You Can Too!	Employed by Mayo Clinic Rochester	Preceptis, Sponsored Research
William	Cohen	Button Battery Ingestion	Employed by University Of Pennsylvania	Presenter has no non-financial disclosures
George	Cooper	Calcium Hydroxylapetite (Radiesse) Injection in Type 1 Laryngeal Clefts	Employed by Edinburgh Medical School	Presenter has no non-financial disclosures
Sarah	Coulthurst	Strategies for Achieving Health Equity in Clinical Care	Employed by University of California, San Francisco, Benioff Children's Hospitals	Presenter has no non-financial disclosures
Eric	Cunningham	Socioeconomic and etiologic considerations for non-use in pediatric cochlear implant patients	Employed by New York Medical College	Presenter has no non-financial disclosures

Sharon	Cushing	Clinical Assessment of Children with Vestibular and Balance Disorders* *How to do it with what you already have	Employed by Hospital For Sick Children	Cochlear Corporation, Speaker's Bureau
Quynh-chi	Dang	Postoperative Delta Weight and Pediatric Obstructive Sleep Apnea Resolution after Adenotonsillectomy	Employed by Ut Southwestern Medical Center	Presenter has no non-financial disclosures
Mahima	Dave	Improving Patient-Provider Communication Regarding Obstructive Sleep Apnea for Children with Down Syndrome	Employed by Ann & Robert H. Lurie Children's Hospital Of Chicago	Presenter has no non-financial disclosures
Jenna	Devare	Difficult Case: Massive Congenital Midline Oropharyngeal Teratoma	Employed by Children's Hospital Of Philadelphia	Presenter has no non-financial disclosures
Ashley	Early	Fitting Autism Screening in Our Scope: How to Breach Discussion Without Breaking Trust	Employed by Medical University of South Carolina	Presenter has no non-financial disclosures
Dana	Eitan	Off-label Hypoglossal nerve stimulator implantation in complex pediatric patients with obstructive sleep apnea outside of FDA indications	Employed by Creighton University School Of Medicine	Presenter has no non-financial disclosures
Sarah	Eldib	Treatment and Management of Post-Extubation Dysphagia in Previously Healthy, Neurologically Intact Infants	Employed by Nyu Langone	Presenter has no non-financial disclosures
Hamdy	El-Hakim	Laryngomalacia and swallowng	Employed by University Of Alberta	Presenter has no non-financial disclosures
Caleb	Escudero	Airway and swallowing outcomes in children with combined laryngomalacia and laryngeal cleft	Employed by University Of Iowa	Presenter has no non-financial disclosures
Erin	Field	Vestibular Premeeting panel cases	Employed by The Children's Hospital of Philadelphia	Presenter has no non-financial disclosures
Elizabeth	Fisher	Indications for Tracheostomy Placement in Children with Cerebral Palsy	Employed by Northwestern University Feinberg School Of Medicine	Presenter has no non-financial disclosures
Michael	Fitzsimons	A Review of Thirty-Three Cases of Paediatric Retropharyngeal and Parapharyngeal Infection – Management Options and Timing of CT Imaging	Employed by Children's Health Ireland	Presenter has no non-financial disclosures

Michelle	Florentine	The Impact of Demographic Factors on Pediatric Perioperative Experiences	Employed by the University of California San Diego	Presenter has no non-financial disclosures
Andrew	Franklin	A 10-Year Analysis on Pediatric Playground Injuries of the Head and Neck	Employed by the University Of Tennessee Health Science Center	Presenter has no non-financial disclosures
Raquel	Garcia	CHARGE Syndrome	Employed by the Joe Dimaggio Children's Hospital	Presenter has no non-financial disclosures
Terri	Giordano	Care Model Transformation for Pediatric Decannulation Trials	Employed by The Children's Hospital of Philadelphia	Presenter has no non-financial disclosures
Samantha	Goh	Configuration of Hearing Loss Predicts Success of Feed-and-Sleep Magnetic Resonance Imaging	Employed by the Hospital For Sick Children, Toronto	Presenter has no non-financial disclosures
Shani	Goldgrub	Difficult Case- Audiology	Employed by the Rady Children's Hospital	Presenter has no non-financial disclosures
Fernando	Gonzalez Iii	Social Determinants of Health & the Aerodigestive Population	Employed by the Ann & Robert H Lurie Childrens Hospital	Presenter has no non-financial disclosures
Elysia	Grose	The Impact of Endoscopic Sinus Surgery in Pediatric Patients with Sinogenic Intracranial Infection: A Systematic Review and Meta-Analysis	Employed by the Hospital For Sick Children	Presenter has no non-financial disclosures
Ghassan	Haddad	Cochlear Implantation in a patient with CHARGE syndrome	Employed by the Cincinnati Children's Hospital Medical Center	Presenter has no non-financial disclosures
Jennifer	Haney	Videofluoroscopic Swallow Study Quality Improvement Project: a collaboration between ENT and Speech Language Pathology	Employed by the Nationwide Children's Hospital	Presenter has no non-financial disclosures
Earl	Harley	"Outcomes of Untreated and Treated Pediatric Ankyloglossia"	Employed by the Georgetown University	Presenter has no non-financial disclosures
Kayla	Hernandez	Tracheoesophageal Fistula	Employed by the Boston Children's Hospital	Presenter has no non-financial disclosures
Cheryl	Hersh	Assessment and Management of Pediatric Dysphagia Ankyloglossia: A Specialty Based Review	Employed by the Massachusetts General Hospital	Presenter has no non-financial disclosures

Michael	Hoffman	Fitting autism screening in our scope: how to breach discussion without breaking trust	Employed by the Childrens Hospital Of Philadelphia	Presenter has no non-financial disclosures
Madison	Howe	Pre-conference workshop: Clinical Assessment of Children with Vestibular and Balance Disorders– How to do it with what you already have	Employed by the University Of Arkansas For Medical Sciences/arkansas Children's Hospital	Presenter has no non-financial disclosures
Victor	Hsue	Facilitating Complex Airway Surgery: Using the Transcervical Epiglottopexy to Optimize Laryngoscopic Views	Employed by the Cedars Sinai Medical Center, Rady Childrens Hospital	Presenter has no non-financial disclosures
Kevin	Huoh	WIR2- Intracapsular Tonsillectomy	Employed by the Choc Children's Hospital	Smith & Nephew, Educational Speaker
Yell	Inverso	White noise, good for sleep, BAD for my patient	Employed by the Nemours Children's Health	Presenter has no non-financial disclosures
Ayo	Isola	Head and Neck Injuries in Youth Sports: An NEISS Database Study	Employed by the Texas A&m School Of Medicine	Presenter has no non-financial disclosures
Hope	Iyiewuare	A Case of IgA bullous dermatosis due to Breast Milk Allergy Resulting in Airway Stenosis Pediatric Cochlear Implementation (CI) in Meningitis-Related Labyrinthitis Ossificans Resulting in Implementation of an Inpatient Quality Improvement Protocol	Employed by the Emory University School Of Medicine	Presenter has no non-financial disclosures
Anita	Jeyakumar	W.I.R – “Why I’m Right”	Employed by Mercy Health	Cochlear Corp, Research Collaboration
Leslie	Jones Jackson	Strategies for Achieving Health Equity in Clinical Care	Employed by the Medical University of South Carolina, Patient and Family Advisory Councils	Presenter has no non-financial disclosures
Walter	Jongbloed	ChatGPT: Easy Chat or Back to the Internet?	Employed by Connecticut Children's	Presenter has no non-financial disclosures

Sohit	Kanotra	Global perspectives in Multidisciplinary Pediatric Aerodigestive Care	Employed by the University of California, Los Angeles	Presenter has no non-financial disclosures
Inderpreet Kaur	Khalsa	Geographic and Sociodemographic Factors Associated with Pediatric Obstructive Sleep Apnea Quality of Life; Access to the Medical Home Among US Children with Deafness and Hearing Problems	Employed by the University of California, San Francisco	Presenter has no non-financial disclosures
Safeena	Kherani	Family Satisfaction of the Multidisciplinary Aerodigestive Service at a Tertiary Care Children's Hospital in the Middle East	Employed by Al Jalila Children's Hospital	Presenter has no non-financial disclosures
Jenny	Kim	Social Capital and Pediatric Tracheostomy Outcomes	Employed by Ut Southwestern Medical Center	Presenter has no non-financial disclosures
Isaac	Kistler	Multidisciplinary Salivary Gland Disorders Clinic	Employed by Nationwide Children's Hospital	Presenter has no non-financial disclosures
Sydney	Knopp	Improving Post-Op PET Compliance with a Pre-Op Audiogram	Employed by University Of Arkansas For Medical Sciences/arkansas Children's Hospital	Presenter has no non-financial disclosures
Tinna-solveig	Kosoko-Thoroddsen	Use of Socioeconomic Demographic Data in Studies on Pediatric Unilateral Hearing Loss: A Scoping Review	Employed by Washington University School Of Medicine In St Louis	Presenter has no non-financial disclosures
Stefanie	Lamanna	Addressing Health Equity in Pediatric Dysphagia Treatment: Rethinking Thickener Selection and Accessibility	Employed by American Speech-language Hearing Association	Presenter has no non-financial disclosures
Angela	Larosa	Fitting Autism Screening in Our Scope: How to Breach Discussion Without Breaking Trust	Employed by Medical University Of South Carolina	Presenter has no non-financial disclosures
Kara	Larson	Pre-Conference Pediatric Panel- I am presenting on Laryngeal Clefts	Employed by Boston Children's Hospital	Presenter has no non-financial disclosures

Maureen	Lefton-Greif	Keynote: What I Have Learned About Pediatric Dysphagia....: A Speech Language Pathologist's Perspective - Thursday Keynote: Standardization in Pediatric Dysphagia - Saturday	Employed by Johns Hopkins University School Of Medicine	Presenter has no non-financial disclosures
David	Lehmann	Psychiatric Outcomes in Pediatric Head and Neck Cancer Patients: A TriNetX Database Analysis	Employed by Stony Brook University Hospital	Presenter has no non-financial disclosures
Sue	Leisen	In-office ear tubes in children? Yes, We Do! You Can Too!	Employed by Rochester Mayo Clinic	Presenter has no non-financial disclosures
Melissa	Levy	Treatment and Management of Post-Extubation Dysphagia in Previously Healthy, Neurologically Intact Infants Complex/Rare Airway Cases: A Multidisciplinary Approach	Employed by NYU Langone Medical Center	Presenter has no non-financial disclosures
Che-yi	Lin	Pediatric tracheotomy: comparison the outcomes in the early and late tracheotomy	Employed by National Taiwan University Hospital And Children Hospital	Presenter has no non-financial disclosures
Michael	Lindeborg	The Impact of a Patient Navigator on Time to Intervention for Deaf and Hard of Hearing Children	Employed by University of California, San Francisco	Presenter has no non-financial disclosures
Gene	Liu	W.I.R – “Why I’m Right”	Employed by Cedars-sinai	Presenter has no non-financial disclosures
Melanie	Lutz	Hearing amplification in children with auditory neuropathy spectrum disorder: one institution's experience	Employed by University of Pittsburgh Medical College	Presenter has no non-financial disclosures
Kimberly	Luu	Strategies for Achieving Health Equity in Clinical Care	Employed by University of California, San Francisco	Presenter has no non-financial disclosures
Brianna	Manley	Improving Response Time to Digital Medical Advice Messaging in Pediatric Otolaryngology	Employed by Nationwide Children's Hospital	Presenter has no non-financial disclosures
Kimya	Manouchehri	Knowledge and Attitudes Surrounding Breastfeeding in Pediatric Otolaryngology	Employed by Schulich School Of Medicine &	Presenter has no non-financial disclosures

			Dentistry, London, Ontario, Canada	
Michelle	Marciniak	Doing the Right Thing for Our Patients Beyond the Clinic and the Hospital: The “How To” of Advocacy	Employed by Let California Kids Hear	Presenter has no non-financial disclosures
Kastley	Marvin	You’re going to do what?: The readability of patient education resources for common pediatric otolaryngology surgical procedures	Employed by Emory University School Of Medicine	Presenter has no non-financial disclosures
Jemma	Maynard	Multidisciplinary Salivary Gland Disorders	Employed by Nationwide Children's Hospital	Presenter has no non-financial disclosures
Erica	Mcardle	Findings on drug-induced sleep endoscopy in infants with laryngomalacia.	Employed by West Virginia University	Presenter has no non-financial disclosures
Michael	Mccormick	Vocal Fold Paralysis and Swallowing	Employed by Medical College Of Wisconsin	Presenter has no non-financial disclosures
Heather	Mcghee	Pierre Robin Sequence	Employed by Medical University Of South Carolina	Presenter has no non-financial disclosures
Megan	Mcnutt	Multidisciplinary Salivary Gland Disorders	Employed by Nationwide Children's Hospital	Presenter has no non-financial disclosures
Deepak	Mehta	Laryngeal Cleft Why am I right	Employed by Texas Children’s Hospital	Presenter has no non-financial disclosures
John	Mills	Characteristics, risk factors, and outcomes of pediatric laryngomalacia: A systematic review with meta-analysis	Employed by Medical University Of South Carolina	Presenter has no non-financial disclosures
Brianna	Miluk	Pediatric Aerodigestive feeding case	N/A	Presenter has no non-financial disclosures
Alexander	Moise	Can ChatGPT Replace an Otolaryngologist When Guiding Parents on Tonsillectomy?	Employed by McGill University, Faculty Of Medicine	Presenter has no non-financial disclosures
Noriko	Morimoto	Laryngotracheal separation for Chronic aspiration. / International Panel on Global Perspectives in Pediatric Aerodigestive Care'.	Employed by National Center For Child Health And Development	Presenter has no non-financial disclosures

Kimberly	Morris	Taking CHARGE of dysphagia: Surgical vs. compensatory swallowing interventions for dysphagia; Flexible Endoscopic Evaluation of Swallowing to Guide Oral Feeding Progression for Neonates in the CTICU	Employed by Rady Children's Hospital San Diego	Northern Speech Services, Course Provider
Garani	Nadaraja	Strategies for Achieving Health Equity in Clinical Care	Employed by University of California, San Francisco	Presenter has no non-financial disclosures
Rohit	Nallani	Impact of tracheostomy status on sternal wound infection rates in pediatric patients following median sternotomy	Employed by University Of Kansas Medical Center	Presenter has no non-financial disclosures
Douglas	Nanu	Infants are more likely to have post-tympanostomy tube otorrhea than toddlers	Employed by Elson S. Floyd College Of Medicine At Washington State University, Spokane, Wa	Presenter has no non-financial disclosures
Laurie	Newton	Exploring Burnout & Strategies to Combat Burnout in Audiologists, Nurses, and Advanced Practice Providers	Employed by Medical College Of Wisconsin/children's Wisconsin	Presenter has no non-financial disclosures
Barbra	Novak	When the newborn hearing screen detects more than the possibility of hearing loss	Employed by Texas Children's Hospital	Presenter has no non-financial disclosures
Robert	O'reilly	Clinical Assessment of the Child Presenting with Vestibular and Balance Disorders	Employed by Children's Hospital Of Philadelphia	Presenter has no non-financial disclosures
Emily	Papazian	Hyperacusis in a pre-pubertal male with undeveloped olfactory apparatus	Employed by The Children's Hospital of Philadelphia	Presenter has no non-financial disclosures
Alyson	Pappas	A Multidisciplinary Care Model for Ankyloglossia: Impact on Referral Patterns and Frenotomy Rate	Employed by University of California, San Francisco	Presenter has no non-financial disclosures
Asher	Park	The effect of intraoperative use of opioids in children with severe obstructive sleep apnea – A single institution experience	Employed by Northwestern University Feinberg School Of Medicine	Presenter has no non-financial disclosures
Albert	Park	Is there still a role for targeted CMV testing?	Employed by University Of Utah	Presenter has no non-financial disclosures

Prasanth	Pattisapu	Multidisciplinary Salivary Gland Disorders Clinic	Employed by Nationwide Children's Hospital	Presenter has no non-financial disclosures
Adhayana	Paul	Evaluation of Clinical Utility of Triple Endoscopy in Pediatric Aerodigestive Patients Diagnosed with Aspiration on Modified Barium Swallow (MBS)	Employed by University Hospitals Cleveland Medical Center	Presenter has no non-financial disclosures
Christopher	Puchi	Trends and variations in the indications for pediatric total thyroidectomy	Employed by Northwestern University	Presenter has no non-financial disclosures
Reza	Rahbar	Assessing & Managing Pediatric Dysphagia Over the Years: Pediatric Otolaryngologist Perspective; Hands On Functional Endoscopic Evaluation of Swallowing	Employed by Boston Children's Hospital, Harvard Medical School	Presenter has no non-financial disclosures
Riad	Rahhal	Updates on Pediatric GERD TOF – Gastroenterologist perspective	Employed by University Of Iowa	Presenter has no non-financial disclosures
Chelsea	Randall	Swallow Study Evaluations - Head & Neck	Employed by Children's Hospital Colorado	Presenter has no non-financial disclosures
Christina	Rappazzo	Pediatric Dysphagia Workshop Course Director	Employed by Kelsey Seybold Clinic	Presenter has no non-financial disclosures
Pooja	Reddy	Post-operative Challenges in Pediatric Tracheostomy: Exploring Granulation Tissue Formation, Complications, and the Potential Role of Ciprofloxacin/Dexamethasone	Employed by University Of Pittsburgh School Of Medicine	Presenter has no non-financial disclosures
Lara	Reichert	Predictors of Sialorrhea Resolution: A 21-year Experience	Employed by Albany Medical Center	Presenter has no non-financial disclosures
Kelsey	Repine	Preop Oxycodone Use for Pediatric Adenotonsillectomies: Friend or Foe?	Employed by University Of Colorado	Presenter has no non-financial disclosures
Scott	Rickert	Complex/Rare Airway Cases: A Multidisciplinary Approach	Employed by New York University	Presenter has no non-financial disclosures
Kristina	Rosbe	Strategies to Improve Health Equity in Perioperative Care	Employed by University Of California, San Francisco	Presenter has no non-financial disclosures
Abigail	Rosenberg	Voice Therapy: When Good Enough is Actually Great	Children's Hospital Of Philadelphia	Presenter has no non-financial disclosures

Soham	Roy	Ethics in Pediatric ENT: Palliative Care and Beyond	Employed by Childrens Hospital Colorado	Presenter has no non-financial disclosures
Catherine	Roy	Endoscopic repair of tracheoesophageal fistulas: A contemporary multi-institutional study and literature review	Employed by Mcgill University Health Centre - Montreal, Qc	Presenter has no non-financial disclosures
Ina	Roy-Faderman	Ethics in Pediatric ENT – Palliative care and beyond	Employed by Oregon State University	Presenter has no non-financial disclosures
Thirunavukkarasu	Saravanamuthu	Global perspectives in multidisciplinary pediatric Aerodigestive care panel	Employed by Kanchi Kamakoti Childs Trust Hospital, chennai	Presenter has no non-financial disclosures
Chiara	Scarpelli	Clinical utility of Language Environment Analysis (LENA) for caregiver coaching of children with cochlear implants Vocal activity development before and after cochlear implant activation in infants and toddlers	Employed by University Of California, San Francisco	Presenter has no non-financial disclosures
Patrick	Scheffler	Off-label Hypoglossal nerve stimulator implantation in complex pediatric patients with obstructive sleep apnea outside of FDA indications	Employed by Phoenix Children's Hospital	Presenter has no non-financial disclosures
Joseph	Schertzer	Middle and External Ear Chemical Damage Secondary to Retained Ear Canal Potpourri Bead in a Pediatric Patient	Employed by Emory	Presenter has no non-financial disclosures
Mariah	Servos Li	Significant soft palate injury during tonsillectomy resulting in velopharyngeal insufficiency	Employed by Children's Hospital Of The King's Daughters/eastern Virginia Medical School	Presenter has no non-financial disclosures
Christine	Settoon	The 2 for 1 FEES- Considerations for the Conjoined Twin Patients	Employed by The Children's Hospital of Philadelphia	Presenter has no non-financial disclosures
Amber	Shaffer	Socioeconomic proxies and breast milk feeding in children with cleft palate	Employed by Upmc Children's Hospital Of Pittsburgh	Presenter has no non-financial disclosures

Amanda	Shen	Simulation-based Trial of a Pediatric Tracheostomy Emergency Crisis-Checklist in a Tertiary Care Neonatal Intensive Care Unit	Employed by Albert Einstein College Of Medicine	Presenter has no non-financial disclosures
Sophie	Sherman	Pediatric Sensorineural Hearing Loss: Improving Services for Children At-Risk for Future Developmental Delays	Employed by Medical University Of South Carolina	Presenter has no non-financial disclosures
Deepa	Shivnani	Neonatal Nasal Obstruction: A Comprehensive Analysis of Our Experience	Employed by Manipal Hospitals	Presenter has no non-financial disclosures
Amritpal	Singh	Understanding Grief Associated with Caring for a Child with Hearing Loss Among Parents of Diverse Backgrounds	Employed by University Of California, San Francisco	Presenter has no non-financial disclosures
Tyree	Smith	Doing the Right Thing for Our Patients Beyond the Clinic and the Hospital: The “How To” of Advocacy	Employed by Childrens Hospital Of Philadelphia	Presenter has no non-financial disclosures
Alyssa	Smith	Transoral robotic surgery for oropharyngeal vascular malformations: a collaborative approach to challenging lesions	Employed by University Of Kentucky	Presenter has no non-financial disclosures
Rachel	St John	Ensuring Audiologic Consultation for Pediatric Inpatients with Bacterial Meningitis	Employed by Utsw Medical Center/children's Health	Presenter has no non-financial disclosures
Wendy	Steuerwald	Fitting Autism Screening in our Scope: How to Breach Discussion without Breaking Trust	Employed by Phoenix Children's Hospital	Presenter has no non-financial disclosures
Melanie	Stevens	Improving Communication of Videofluoroscopic Swallow Study Results: A Multidisciplinary Collaboration	Employed by Nationwide Children's Hospital	Presenter has no non-financial disclosures
Bethzaida	Suarez Gonzalez	Predictors of Sialorrhea Resolution: A 21-year Experience	Employed by Albany Medical Center	Presenter has no non-financial disclosures
Sarah	Sutton	Effects of Social Determinants of Health on Pediatric Tonsillectomy Use: A Systematic Review	Employed by Medical University Of South Carolina	Presenter has no non-financial disclosures

Leah	Szeftel	Inpatient FEES on conjoined twins	Employed by Children's Hospital Or Philadelphia	Presenter has no non-financial disclosures
Sandra	Tadros	Using a Novel Approach to Assess and Improve Otolaryngology Resident Proficiency in Pediatric Foreign Body Aerodigestive Emergencies	Employed by New York University	Presenter has no non-financial disclosures
Hannah	Tahhan-Jackson	Ankyloglossia: A Specialty Based Review	Employed by Montefiore Medical Center, Northwell Northern Westchester, New York Medical Coll	Presenter has no non-financial disclosures
Alisa	Timashpolsky	Primary vs. Secondary Closure of Tracheocutaneous Fistulas: A Prospective Cohort Study	Employed by Cleveland Clinic Head And Neck Institute	Presenter has no non-financial disclosures
Nitika	Tripathi	Choked up – an unusual presentation of a rare tumor.	Employed by Medstar Georgetown University Hospital	Presenter has no non-financial disclosures
Catherine	Turk	Neurological Deficits	Employed by Texas Children's Hospital	Presenter has no non-financial disclosures
Aidan	Vanek	Multidisciplinary Salivary Gland Disorders Clinic	Employed by Nationwide Childrens Hospital	Presenter has no non-financial disclosures
Nainika	Venugopal	Is Ankyloglossia Correlated With Sleep Disordered Breathing or Obstructive Sleep Apnea?	Employed by Schulich School Of Medicine & Dentistry	Presenter has no non-financial disclosures
Sarah	Vetter	Myasthenia gravis presenting as progressive velopharyngeal incompetence on flexible nasopharyngoscopy in a 16-year-old	Employed by Ann & Robert H. Lurie Children's Hospital Of Chicago	Presenter has no non-financial disclosures
Jonathan	Walsh	Ankyloglossia and Swallowing: Otolaryngologist Perspective	Employed by Johns Hopkins	Smith & Nephew, Speaker Cosultant
Julia	Welc	The 2 for 1 FEES- Considerations for the Conjoined Twin Patients"	Employed by The Children's Hospital of Philadelphia	Presenter has no non-financial disclosures
David	White	Type 2 and Beyond Clefts	Employed by Medical University Of South Carolina	Presenter has no non-financial disclosures
Dagney	Willey Adamson	In-office ear tubes in children? Yes, We Do! You Can Too!	Employed by Mayo Clinic	Presenter has no non-financial disclosures

Kathryn	Williams	3D Printed Ear Canals for Advanced Practice Provider Outpatient Simulation - poster	Employed by Upmc Children's Hospital Of Pittsburgh	Presenter has no non-financial disclosures
Christina	Yang	Simulation-based Trial of a Pediatric Tracheostomy Emergency Crisis-Checklist in a Tertiary Care Neonatal Intensive Care Unit	Employed by Montefiore / Albert Einstein College Of Medicine	Presenter has no non-financial disclosures
Patricia	Yoon	Why I'm Right	Employed by Children's Hospital Colorado	Presenter has no non-financial disclosures
Ashley	Young	Clinical Utility and Safety of Flexible and Rigid Bronchoscopy for Critically Ill Pediatric Patients on Extracorporeal Membrane Oxygenation / Trans-tracheal pressure for evaluation of decannulation readiness	Employed by Northwestern University Feinberg School Of Medicine	Presenter has no non-financial disclosures
Faisal	Zawawi	Outcome of hearing in children post meningitis	Employed by King Abdulaziz University	Presenter has no non-financial disclosures
Elise	Zimmermann Mathias	International Panel: Global Perspectives in Pediatric Aerodigestive Care	Employed by Hospital Pequeno Principe	Presenter has no non-financial disclosures
